

Small Groups of Children in Parkview's JK/SK Before and After School Program

Our Orchard School offers a maximum JK/SK class size of only 9 children, while other before and after school programs can have up to 26 children. Smaller groups means children have:

- More one on one time with teachers
- Increased opportunities to develop positive social skills and peer relationships
- Reduced distractions when completing school activities and playing with friends
- Programs developed on the children's interests

This program is available to children attending John William Boich Public School or St. Elizabeth Seton Catholic Elementary School.

Register Your Child Now for Their Before and After School Program

Open House– You're invited!

If your child is starting kindergarten in September 2019 or your JK child is going into SK, come to our Open House to see our amazing JK/SK program.
